

2023 MEN'S TWILIGHT LEAGUE

The 2023 Men's Twilight League will start on Tuesday May 2, 2023 and will run for seven (7) consecutive weeks through Tuesday June 20, 2023. The Twilight League will begin at 3:00 p.m. every Tuesday afternoon and run until 6:00 p.m. The league will consist of 9-Hole matches and will utilize both the front nine and the back nine. This means that tee access will be closed to non-twilight league golfers from the hours of 3:00 p.m. to 6:00 p.m. every Tuesday. The first and final league nights will be a shotgun start at 4:00 p.m. with an awards banquet to follow on the final night. All other weeks will operate under tee times. Tee times will be sent out to all league participants before the first week of play. This will allow all players to know when they are playing each week.

The twilight league will consist of eight 10-man teams with one captain on each team. The captain will be responsible for making sure that all of the matches are played each week. Players 1-2 from each team will play the black tees, players 3-4 will play the blue tees and players 5-10 will play the white tees. Full-time players should commit to playing 7 weeks or choose to be a substitute.

All matches played will be match play. The matches will be one player vs. one player matches and also team vs. team. Example: Player 1 from team 7 would play Player 1 from team 8 if that was that week's set matchup. Teams will alternate from the front nine to the back nine on a week-to-week basis.

The scoring will work as follows. There will be a total of 3 points to be won per foursome. 1 point will be awarded to the winner of the individual match (ex. Player 1 vs. Player 1). 1 point will also be awarded for the result of the team match (ex. Player 1 and Player 2 vs. Player 1 and Player 2 from the opposing team). 1 ½ points (the maximum a player can win) will be awarded if both players win their individual matches and their team match. 1 ¼ points will be awarded if both players win their individual match, but halve the team match. 1 point will be awarded for an individual win, but a team loss. At the conclusion of the seven week period, the team that has collected the most points will be determined the winner.

In the event of a player substitution 9- hole handicaps will be used to determine the stroke differential between opponents.

It is the absent player's responsibility to find a replacement for the match he misses and inform the captain of his absence.
