A HEARTY WELCOME

THE LATEST ADDITIONS to the Troon Privé Privilege program will allow those qualified to enjoy the Arnold Palmer Signature Course at **Frenchman's Reserve,** in Palm Beach Gardens, Florida, as well as the Jay Morrish course at **Talking Rock Ranch** in Prescott, Arizona. Palmer once said that the game is "deceptively simple and endlessly complicated … at the same time rewarding and maddening." With its large greens and fairways lined with tall Florida pines, Frenchman's Reserve is the ultimate expression of the Arnold Palmer guarantee of uncompromising standards. At Talking Rock, the land inspired the course design. Winding through meadows, preserving majestic stands of trees, and complementing the contours of the terrain, the course offers a golfing experience that is spectacular by nature.

Simulator Fun

LIFE AT **Manchester Country Club** in Bedford, New Hampshire, and **Alpine Country Club,** in Cranston, Rhode Island, has just gotten a lot more fun. Both clubs have recently installed state-of-the-art indoor simulators that allow members to play some of the world's most breathtaking golf courses — such as Pebble Beach and St Andrews — on a curved, 22-foot screen … even in the dead of winter. That translates into 160 degrees of wraparound excitement, with technology that will provide the distance your ball travels and other pertinent information about your swing. If you're visiting one of these clubs, check out the simulator!

SHOWCASE OF HOMES

IF YOU'RE PLANNING to take advantage of your Troon Privé Privileges this Memorial Day, you may want to visit **Pine Canyon,** a luxury golf community located in Flagstaff, Arizona, which will be hosting its annual Showcase of Homes. Festivities begin May 22 with a hosted cocktail reception and, on May 23 and 24, visitors are invited to tour 10 to 12 of the high country's most beautiful homes, including move-in ready residences located along the award-winning golf course, amenity rich cabins, and custom estates.
