**USGA Rules will govern all play.**

**Format:** 54 Hole One Net Best Ball of Two; Medal Play

**Handicap:** Recommended Reduction in Handicap to 85%. Tournament Handicap Indexes used are based on the players low index over the last month. Maximum difference of 8 strokes between partners.

**Flights:** Four flights. The 1<sup>st</sup> flight will play from championship tees, 2<sup>nd</sup> flight will play from the blue tees and the 3<sup>rd</sup> and 4<sup>th</sup> flights will play from the white tees. Players whose age plus index equals 90 or greater may play from the green tees in the third or fourth flight only. Flights will be divided equally based on combined index. Ties in combined index will be decided by the low handicap player on the team, putting the team with the lower handicap player in lower flight. Any other ties will be broken by coin flip.

First round pairings will be completed by handicap rank. Each round will be repaired based on standings in the flights. Ties will be broken by first in method.

**Flight Ties:** Last 18 holes, Back 9 total, Last 6, Last 3, Front 9, Last 6, Last 3, Saturday 18 holes, Back 9, Last 6,...etc., etc. If still tied we then move to matching Handicap holes starting with Sundays round, then Saturday and so on. If ties still persist then a chip-off will decide.  
**USGA Rule 33.6**

**Shootout:** The top 2 teams from each flight will be in the march. The shoot-out format consists of Alternate Shot (alternating tee boxes) eliminating one team per hole. Ties will be broken by a single person from each team chipping (Ball must be on green). Closest to the hole will continue in the "March". First and Second flight will play from the White tees on #1, then play #2 and join the second group on #16; Third and Fourth flight will play from the White tees on #10, then play #11 and join the first group on #16. The final 3 shoot-out holes will be played from the white tees. Ties on the last hole will result in extra holes. If a tie results on the final hole a playoff hole will take place. Teams will then replay 18. If the teams are still tied after a replay of 18 they will play it again. If after another tie, a closest to the pin chip off will decide the overall champion.
